CVC/SDC Meet ~ January 13th, 2013

The first meet of 2013 occurred January 13th at Buz and Ned's Real Barbeque located at 8205 West Broad Street, Richmond, Virginia.

We were joined by new members Margie and Fred Meiners. Margie and Fred have a 1964 Studebaker Avanti R2. Unfortunately, they were unable to drive it to the meet. We look forward to seeing them driving it at a later meet. Welcome to CVC Margie and Fred!

Preston Young shared sad news about Leonard Shepherd, former chapter President and Commanding Leader editor. Leonard has been diagnosed as suffering from early dementia and has moved to an assisted care home.

In a show of support for Leonard as a friend and club member, it was proposed and approved by members present that the chapter send Leonard a gift of \$500. Member Herman Gantt added an additional gift of support of \$100. The gift was sent to Leonard's son for his benefit.

The group was pleased to have member Frank Drumheller back at a CVC meet after a long spell of health issues. Not only did we have the pleasure of having Frank, he also brought his extensive collection of Studebaker Dealer Data Books to share with the group.

(L-R) Mike Welch, Fred & Margie Meiners, Debbie Jett, Linwood & Maze Melton, Betsy & Preston Young, Martin Pajka, Frank Drumheller

Frank Drumheller's collection of Studebaker dealer data books

The collection includes all model years from 1937 to 1966, with the exception of the rare 1956 book. Additional images of Frank's collection are presented later in this issue.

CVC/SDC Meet ~ March 10th, 2013

(L-R) Martin Pajka, Herman Gantt, Linwood Melton, Fred & Margie Meiners, Preston Young, Maze Melton, Becky Harrison, Betsy Young, Lee Harrison, Bruce Grosvenor, Mike Welch, Jim Jett

Margie & Fred Meiners 1964 Studebaker Avanti R2

CVC/SDC held its annual meeting on March 10th at the Quaker Steak & Lube restaurant located at 8000 West Broad Street, Richmond, Virginia.

The weather was perfect for driving our Studebakers and 7 were present. We had two Avanti's at the meet, Maze and Linwood Melton's 1963 and Margie and Fred Meiners brought their 1964.

Margie and Fred joined CVC at our January, 2013, meet and this was the first time the rare 1964 R2 Avanti was at a CVC meet. It was admired by the club members and Quaker Steak patrons alike.

After enjoying our meal, we adjourned to the parking area where we held our business meeting under the warm March sun.

Nominations were taken to fill the chapter offices of President, Vice-President and Secretary/Treasurer. The existing officers were nominated and elected to serve for 2013 as follows:

President—Jim Jett
Vice-President—Preston Young
Secretary/Treasurer—Betsy Young

Other business discussed was the International Drive your Studebaker Day observance. It appears the chapter had scheduled September 8th when the correct date is September 14th.

The chapter International Drive your Studebaker Day event will occur on Saturday, September 14th, 2013. This will be a joint event with the Southwest Virginia Chapter/SDC.

The regular September meet at Becky and Lee Harrison's will be scheduled for Sunday, September 8th, 2013.

The next meet in May was discussed and Bottoms Up Pizza was designated as the restaurant we will have dinner at after the canal cruise.

The site for the November meet was brought up and Pamplin Park in Petersburg was mentioned as a possibility. Preston Young will look into this or other possible meet sites in the Tri-Cities area.

Next Meet

May 5th, 2013, Sunday @ 2:00PM

Kanawha Canal Cruise

Intersection of 14th and Dock streets on Virginia Street

Richmond, Virginia

Admission: \$6.00

(804) 649-2800

INFO: <http://www.venturerichmond.com/experience/canal/rides.html>

For the CVC/SDC May meet, we will be taking the Historic Kanawha Canal Cruise.

The cruise is an informative, 40-minute, historically narrated tour of the James River and Kanawha Canal along Richmond's historic Canal Walk. The covered boats, which accommodate up to 35 passengers, depart on the hour from the Turning Basin, located at the intersection of 14th and Dock streets on Virginia Street.

Richmond's canal system first started in 1789 after George Washington lobbied the General Assembly to proceed with his vision of a canal and turnpike system that would connect the harbors of the east to the trade and market opportunities west, all the way to the Rocky Mountains.

The canal cruises are located at 139 Virginia Street in Richmond's historic Shockoe Slip.

Club members should park in the East Cary and Virginia Street parking deck. The entrance faces Virginia Street. CVC members can submit their parking receipt to the Treasurer for reimbursement.

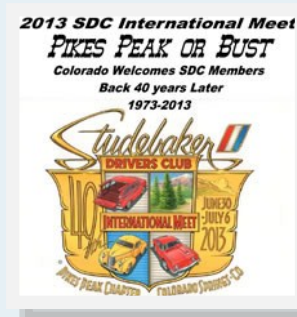

After the cruise, we will go to Bottoms Up Pizza located at 1700 Dock Street for dinner.

To view their menu, go to:

http://www.bottomsuppizza.com/menu_pizza_pasta_appetizers_salads_richmond_va.php

For driving instructions, go to:

<http://www.mapquest.com>.

June 30 - July 6, 2013
in Colorado Springs, Colorado

September 14, 2013

Thomas Jefferson's country home, Poplar Forest, in Forest, Virginia. (near Bedford, Virginia)

Mark your calendar!

Central Virginia Chapter is 10!

For the CVC meet in March 2008, the group were guest of Mary Penn and Hugh Hawthorne of Chesterfield, Virginia.

The Hawthorne's had an interesting collection ranging from Spanish silver to Richard Petty's race cars.

Below are some images from this meet.

The Commanding Leader for April, 2008, is reprinted on the following pages highlighting this fun meet.

This is part of what the show looked like last year. We had a good attendance of Central Virginia Chapter members there. There is some beautiful scenery and a nice drive from Richmond.

Central Virginia Chapter is 10!

Hugh Hawthorne's Collection & Museum

We were all amazed at the wonderful collection at the home of Hugh and Mary Penn Hawthorne. We were entertained by Hugh and his stories. Not only were the cars interesting, but there were all sorts of antiques such as Indian arrowheads, priceless violins, dolls, and model car collections, Confederate memorabilia and many more items to list.

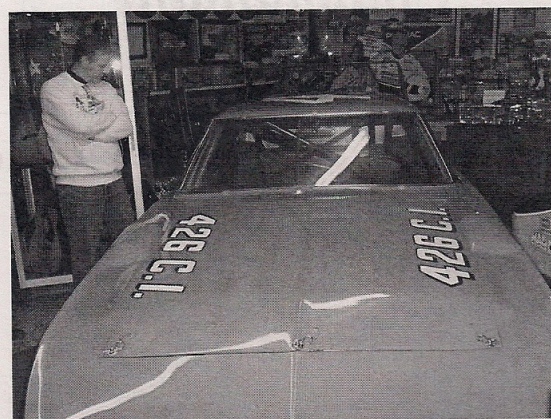

Hugh telling stories about his violins.

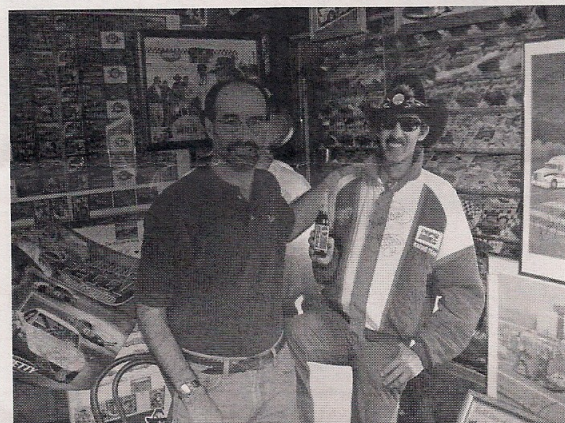

CVC members listening to Hugh talking about one of the three Richard Petty race cars. These were real race cars that were inside the house. There was also lots of Richard Petty memorabilia.

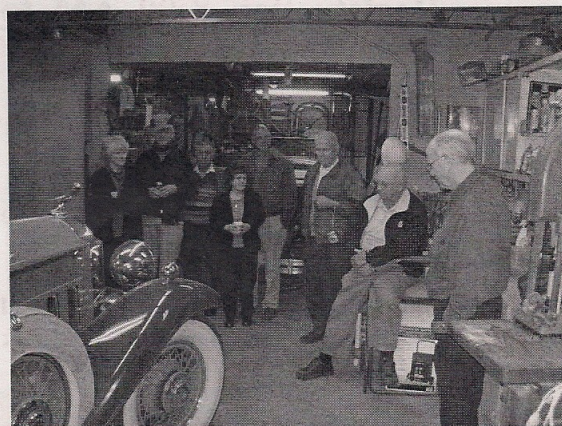

We want to thank Hugh and Mary Penn Hawthorne for inviting us into their home and their wonderful Southern Hospitality. Everyone had a great time and we would like to come back next year.

Jim Jett is thinking about what it would be like to sit in the driver's seat of this race car!

Gary Hearn is getting to know Richard Petty.

Hugh is telling us about his 1932 Packard

Central Virginia Chapter is 10!

The Joint Meet with the Greater VA Chapter

We had a good gathering at the Joint Meet of the Central Virginia Chapter and the Greater Virginia Chapter.

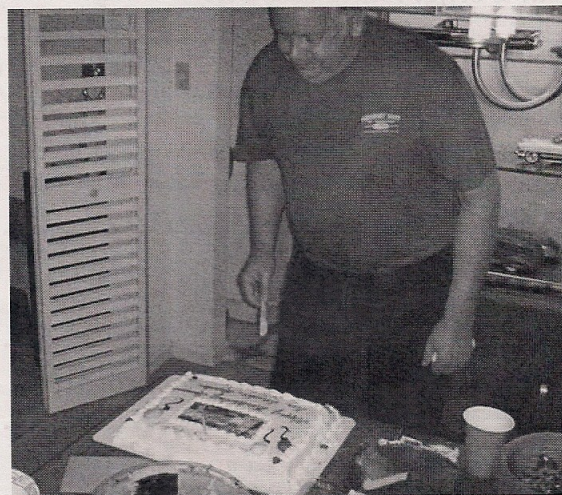

The Young's Studebaker and Frank Drumheller's Lark and the Jett's 63 GT Hawk parked by the garage.

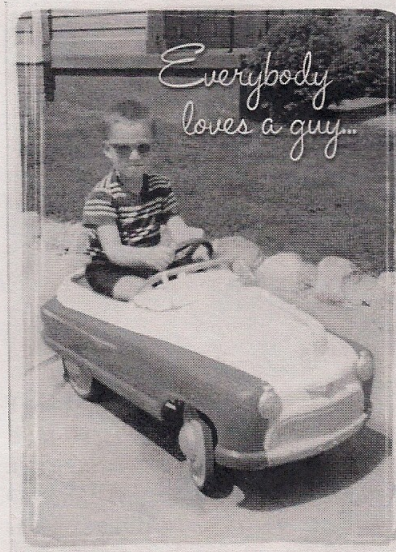

We had a meeting on the deck discussing the 2009 Atlantic Zone Meet which is going to be hosted by Central Virginia Chapter and the Greater Virginia Chapter. Dale Early, president of the Greater Virginia Chapter is presiding over the meeting.

The meet will be June 19-21, 2009 in Harrisonburg, Virginia. The host hotel will be the Holiday Inn in Harrisonburg.

Thanks From Your President!

I was very surprised to get not one, but two birthday cakes at the meet. One was given to me by club members and the other was made by my friend, Warren Long, who works at a bakery.

I also got this card that was signed by everyone. I want to thank everyone for their thoughts. The pedal car looks like a 47 Studebaker!

Central Virginia Chapter is 10!

An Emotional Message

I received this note from Frank Drumheller...

"Dear Friends; Chester Bradfield called me this morning to tell me that Melvin and Glenda Wampler did not receive good news about his tests at UVA this week. Melvin has been diagnosed with liver cancer. The doctors have told the family that he may have up to six months. Please remember Melvin, Glenda, and their daughter and her family at this very stressful time and keep them in your thoughts and prayers. I realize its tough, but ALL things work for good for those who believe in and accept the love of God.
Peace to you all. Frank"

Melvin was at the Joint Meet driving his 50 Land Cruiser that has been in his family since new. He is a real nice guy and is very important to the Greater Virginia Chapter.

Gary Hearn buys Still another Studebaker Wagon!

He has just purchased this buggy with a fringe on top

Studebaker in Richmond

It seems a lot of the automobile dealers in the early days were bicycle retailers. In Richmond, Studebaker dealer B. A. Blenner ran a bicycle retail and machine shop as did D. A. Prentiss.

D. A. Prentiss ran a bicycle shop at 1205-1207 Hull Street in the City of Manchester, now Richmond, Virginia.

Mr. Prentiss first opened his Studebaker EMF agency at 110 North Jefferson Street, Richmond, Virginia.

In 1911, Mr. Prentiss moved his agency to its new location at 1813 West Broad Street, Richmond, Virginia.

Site of D. A. Prentiss last Studebaker agency location today,

Studebaker

Flanders "20"

Forget the nameplate—and still the car stands pre-eminent

If it were no nameplate—the Studebaker Flanders "20" would be bound to make an immediate and an impressive appeal to your preference.

If it had no reputation—your sense of value would instantly recognize the wonderful money-worth of the car.

If it had no history—a demonstration of its splendid response to every normal, or even abnormal demand, would drive you straight to the decision that your \$800 could not be better expended.

Study it from any of the universally accepted specification standards—motor-machine—most power, wheel base, axle-strength, size, style—and rivalry, in its class, recedes into the remote background.

But you are not asked to draw a check for \$800 on the evidence of your own eyes; or your own experience; or your own sense of value.

The Studebaker "20" will speak for itself on that close-range inspection, which should precede a purchase—but another voice speaks to you in its behalf, louder and more impressive still.

Seventy-five thousand of your fellow citizens want for Studebaker value.

And we would like you to feel the impact of this tremendous proof of public opinion.

We would like you to remember that each and every one of these 75,000 cars does its full duty, day by day, precisely because it is a Studebaker car.

The Studebaker "20" which you buy and drive is the embodiment and the expression of the sixty-year-old Studebaker policy of serving its public.

We want you to remind yourself that the Studebaker word has been good as gold to the buying world for more than a century—and that it is being made good in every car that issues from the brightly, Studebaker plants.

The price-girdling sales system of the Studebaker Corporation—the 1904 Studebaker system in America—the finger's laboratory and manufacturing equipment in the Studebaker plant—and the low cost of production and distribution which they involve in these factors you find the reason why the Studebaker "20" lays themselves hold upon your preference—why it appeals to you as the very utmost value at or about \$800.

The Studebaker Flanders "20" Touring Car.
F. O. B. Detroit, standard equipment.
Equipped as above, with Top, Windshield, Radio-Like Tank and Speedometer, \$856.

\$800

Photos and articles for Newsletter and Website

Do you have any photos of events you attended? Is there an upcoming event you would like to promote? Do you have any interesting information you would like to share? If so, send them to the editor at jsjett@centralvirginiachapter.org so they can be included in the newsletter and posted on the website.

CVC/SDC apparel available

Polo Shirts, T-Shirts, hats and other items displaying the club logo are available to club members.

The Polo Shirts are available in White, Navy or Black in Men's and Women's style. T-shirts are available in white in Men's and Women's style.

Items can be ordered and paid for on the club website, go to: <http://centralvirginiachapter.org/MemberStore.html>

Be a Champion

Fourth in a series:

This Little Light of Mine, I'm Gonna Let It Shine!

By Bob Shaw, SDC member

As we SDC members know, Studebaker has a fascinating history filled with many firsts in the automotive world and tons of interesting facts and stories. For decades the club has pretty much hidden its light under a bushel basket as the old saying goes. Your chapter and the national club are doing more than ever before to increase public awareness and we, as individual members, can help.

As individual members, we can do a lot of small and easy things to shine our light publicly on the marque, the national club and, most importantly, your chapter.

Are you packin'? There are a number of essentials that should be packed in every Studebaker. A fire extinguisher, extra fuel pump, current SDC membership roster, and a few tools are always being mentioned. To be an effective ambassador for the marque and club, you should also pack a supply of "Studebaker Story" and SDC brochures, a brochure or other info on your chapter, including a membership application! If your chapter has a "business card", pack a few of these in your wallet.

Educate with Pride. Okay, maybe that a nice way of saying "exercise your bragging rights!" Some say it's not bragging if it is true and there is much truth about Studebakers worth bragging about. Besides, if we Studebaker fans don't do a little respectful bragging who will? The truth is Studebaker was the first to bring many automotive innovations to the public...innovations that most people would automatically assume that only the "big 3" could do.

Membership

You don't have to own a Studebaker to be a member of the club. If you do, or are just interested in Studebaker automobiles, we would love to have you as a member. You can join and pay membership dues online, or, print and mail the membership application. [Membership in the Studebaker Drivers Club is required to join the Central Virginia Chapter.](#)

Link to join CVC/SDC: <http://centralvirginiachapter.org/JoinCVC.html>

Link to join the Studebaker Drivers Club: <http://www.studebakerdriversclub.com/joinsdc.asp>

In the January, 1996 issue of Turning Wheels, Almanac Editor Richard Quinn provided an extensive list of Studebaker's "firsts". A few of them include:

- The first to cast a 6-cylinder engine in a block (1921).
- The first to have a double-wall pickup bodies on trucks (1937).
- The first to use self-centering, self-energizing brakes (1954).
- The first to install front seat belts in every car in its line (1963).

Of course, that's just for starters. The complete list is in that 1996 Turning Wheels issue. What? You do not have a January, 1996 Turning Wheels laying around? Don't worry! You can download and print a copy of the Studebaker Firsts list from your computer. Just go to: <http://www.northstarwheel.com/resources/studebakerfirsts.pdf>

I recommend that you print the Firsts list and include it with the other items mentioned above in your car. You just never know when you will have an opportunity to show someone just how far ahead Studebaker was throughout its history.

This ends this particular series of articles. So, now it's time for you to arm yourself with the available literature tools, enthusiasm and a friendly attitude and go forth and "BE A CHAMPION" for Studebaker and your club!

Classified Ads

Approved Classified Ads are free to all CVC/SDC members and available to non-members for \$5 per ad. Ads will be on the website for 90 days and in 1 newsletter unless renewed.

9 a.m.-3:30 p.m.

South Main Street, near McDonalds

This cruise-in will be one event in the annual Heart of Virginia Festival that takes place for the 35th year.

Bring your favorite Classic Vehicle and spend the day with the family in downtown Farmville. Enjoy all the fun events such as music groups, art on the lawn, crafts, great food, special children programs and much more.

The Cruise-In will feature cars from all over Virginia. Cash prizes for the furthest distance will be awarded along with trophies for crowd favorites.

Just come on down and have the prime downtown parking space for a nominal donation of \$10.00 per car to assist with the cost of trophies.
